The school has made every effort to keep costs for this activity at a reasonable level. We have an equity fund which can be used to provide financial assistance for students where parents are unable to meet the requested contribution. If, however, there is insufficient total funding available to meet the cost of the camp/excursion, regrettably, we may not be able to proceed* Staff accompanying students on excursions will take all reasonable care while the students are in their charge to protect them from injury and to control and supervise their behaviour and activities.

Parents should be aware that staff members are not responsible for injuries or damage to property which may occur on an excursion where, in all circumstances, staff have not been negligent. Parents should warn children of the risk to themselves, to others and to property, of impulsive, wilful or disobedient behaviour.

Withdrawing from this excursion with less than 3 school days notices requires a medical certificate for a refund to be granted.
