

Week 2 Term 3 2018

New Information

P & C Bunnings BBQ - many thanks for all the donations and the volunteers who helped at the Bunnings BBQ at the end of last term. We raised \$1,200 for the bike racks and shed.

Host Families needed 24-27th October - Approximately 10 students from Nara, Japan will be visiting MSHS. We are searching for families with a spare bedroom who would be willing to host a student for two nights. The students have basic English ability. We have already had a bit of interest from girl students, however we are seeking BOYS to volunteer to host the visiting male students. Please contact Meaghan Jones (6142 3436) for further details.

Students and Sharps - In recent months there have been a few incidents in schools across Canberra involving students and sharps. All school community members (parents, students, staff) are required to comply with the *Crimes Act 1990 (ACT)*. Students must not bring sharps or weapons to school. This includes knives of any description, even kitchen knives from home, used for cutting food. Thank you for your support in keeping our school a safe environment for students and staff.

Reminders

Need to update your contact details? Call the Front Office anytime or email [Student Records](#)
