Enrolment for 2021

Dear Parents and Carers of Year 6,

We are at the time of the year when parents and carers of year 6 students and year 6 students are thinking about high school. The thought of moving to high school for some may feel very daunting. To alleviate the scariness of the unknowns of high school, Mount Stromlo would normally host an Open Night when parents and students may visit the school and speak directly to school staff and Mount Stromlo students. Due to circumstances outside our control there will be no Mount Stromlo High School Open Night in 2020.

To support those looking to enrol in Year 7 (or other high school years) for 2021, we have developed an Information Booklet, produced a small video, and developed an online question form. The online form will enable you to ask questions about the transition to high school and school life at Mount Stromlo High School. The form will be open until Monday 18 May. We will post the answers to your questions on the school’s website 31 May 2020.

If you wish to have a deeper conversation about school enrolments or any element of our school highlighted in the promotional video or information booklet, please contact our school front office and either our Deputy Principal supporting enrolments (Billieann Bambrick) or I will be happy to discuss this with you further.

Yours Sincerely

Peter Radford
Principal
Mount Stromlo High School
