

Year 8 Art

Term 2 Course Outline

In this 10 week course, students will develop their drawing skills within Visual Art with a focus on the elements of art, in particular; line, space, tone, shape, texture & space. Students will become familiar with using the following materials: Charcoal, Acrylic paint, 2B&6B pencils, ink and watercolour. Students will also complete a written research project on an artist of their choice and written reflection tasks based on each of their art assessments. During the course, students will participate in a variety of critiquing and analysis methods.

Learning Outcomes

Students will be assessed on the following Learning Outcomes:

- 7/8.945 -Identifies and analyses how other artists use visual conventions and viewpoints to communicate ideas and apply this knowledge in art making
- 7/8.946 - Explains how an artwork is displayed to enhance its meaning
- 7/8.947 - Evaluates how people are influenced by artworks from different cultures, times and places
- 7/8.948 - Plans art making in response to exploration of techniques and processes used in the artworks created by self and others
- 7/8.949 - Demonstrates use of visual conventions, techniques and processes to communicate meaning in artworks
