

Dear Parent/Guardian,

Mount Stromlo High School will be offering a homework club which will run immediately after school on Wednesday afternoons from 3:00pm until 4:30pm. The club will be staffed by teachers from various faculties and will run in the school library, so students will have access to computers. The homework club will give students the opportunity to work on assessment items including assignments, test revision and class work, or to catch up on work missed due to absence.

Teachers who staff the club will be doing so on a voluntary basis, so the homework club is seen as being a privilege and inappropriate behaviour or use of resources (video games, phones etc.) will not be tolerated. Students who attend will be expected to work quietly and diligently or they may be asked to leave.

We look forward to your child's involvement in the Homework Club and hope they find it beneficial to their studies.
