**1 - March** School Photo Catch up Day  
**5 - 7 March** Yr 10 Humanities Sydney Excursion  
**27 March** Cross Country

See calendar on school website for more details

#### Principal's Message

Dear Parents and Carers

It has been a great start to the school year. We have welcomed 167 year 7 students and 41 new students into

Year's 8, 9 and 10. There are also some new faces in our teaching staff; Bruce Sutherland is our new wood/metal teacher, Cherie Wilkinson is taking over MakerSpace, Erin O'Connor, Kim Mowbray and Glenda Johnson have joined Learning Support, Sarah Jordan and Michelle McFadyen have joined Humanities and Julie White and Paul Chubb are part of the Math faculty. We have also welcomed back Kate Dobney to the front office after a posting interstate, Jo Power is back leading the Arts & Tech faculty, and Tegan Campbell and CeCe Edwards have returned.

It was with mixed emotions we farewelled Ms Alex Morton last week. Ms Morton has been promoted to Calwell High School to lead their Arts and Technology Faculty. This is a fantastic opportunity for her and Calwell, but we will miss her greatly. Ms Morton has led our Arts and Technology Faculty in Mrs Power's absence and coordinated all of our parent events and assemblies for the past two years. She has been a valuable member of our executive team, widely respected by staff, students and parents, not to mention an excellent music teacher and band director.

Over the course of this term I will advertise nationally to recruit a passionate and talented music teacher. In the interim, Ms Sobierajski is teaching the year 7 & 8 introduction to music and supporting the Jazz Band rehearsals and Mr Byron Luck, the music teacher at Duffy Primary School, has kindly offered to run our Concert Band rehearsals for Term 1.

The first newsletter of the year is usually the longest with a lot of information to share with parents. We are always looking for ways to improve so if you have any feedback about the newsletter, or the school in general, I would love to hear it. Please call, email or use Schoology to send me a message anytime.

Regards,

Kate Marshall  
Principal

## Transition to Google Classroom

Over the course of the next six months we will be transitioning from Schoology to Google Classroom as our schools Learning Management System (LMS). Google Classroom is the LMS now used by public schools across the ACT and should make our students transitions, from primary school and also on to college, simpler. Our students also now have their brand new Chromebooks allowing for a single powerful and simple platform on which they can learn. During the course of the transition teachers will maintain major assessment items on Schoology as well as information concerning the course content. Many classes day to day content will be created using Google Classroom and we look forward to giving you access to email summaries in Semester 2. We apologise for any inconvenience that may occur while we transition in Semester 1.

## Before School Supervision

Parents are reminded direct supervision is provided from 8:45am each morning however staff are on site from 8:15am. Please remind you child they can come to the Front Office if they need assistance before TEAM.

## Absences & ACT Secondary Bursary

Unfortunately some parents who receive the ACT Secondary Bursary were surprised to learn their child was no longer eligible for the one off payment after 5 days of unexplained absence in the previous six months.

To ensure your child's attendance meets the requirements of the scheme, parents must report all absence to the school as soon as possible. Reasonable excuses for an absence include illness, injury, medical appointments and bereavement.

Please be aware the front office staff can only amend an absences record in the same calendar year the absence occurred.

## School Accidents & Incidents

Mount Stromlo High School collects information about injuries and incidents that occur at school or on school-organised activities, on behalf of the ACT Education and Training Directorate. Some of the information may be personal information as defined in the Privacy Act 1988 and the Health Records (Privacy and Access) Act 1997. The information is usually included in a Student

Accident/Incident Report or Notification of a Critical Incident together with any accompanying witness statements.

The purposes for which the information is collected include notifying the Territory's insurers and legal advisers of injuries and incidents and ensuring that the school itself has accurate and complete records.

The Directorate usually provides the form and any other information relevant to the accident/incident to the ACT Insurance Authority and the ACT Government Solicitor. Information may also be provided to WorkSafe ACT in accordance with the ACT Work Health and Safety Act 2011.

Schools have a duty of care to keep students safe. Where an injury or incident occurs schools have an obligation to determine what has happened and therefore may question students. Schools may also ask students to make statements in writing and to sign these statements.

## Insurance and Ambulance Transport

The ACT Education and Training Directorate does not provide any insurance cover for injury, disease or illness to students resulting from school activities or school-organised excursions. Claims for compensation are met where there is a legal liability to do so. Liability is not automatic and depends on the circumstances in which any injury, disease or illness was sustained.

As there is no automatic insurance cover for personal injury if your child is injured at school or during a school organised activity/excursion you should therefore consider whether taking out personal insurance cover for your child is warranted.

This insurance might cover contingencies including medical/hospital expenses, ambulance transport outside the ACT, and cancellation of transport/accommodation or loss of/damage to luggage.

The ACT Ambulance Service provides free ambulance transport for students who are injured or suddenly become ill at school or during an approved school organised activity within the ACT.

Should you have any specific concerns, please feel free to raise them with me.

## New Staff

Hi, my name is Julie White and I have the pleasure of joining the Mathematics Faculty here at Mount Stromlo High School. I have taught at a number of high schools in the ACT and have recently completed 9 years at Lyneham High. I love to see the "light bulb" moments when the students have persevered, practiced and shown patience to finally "get it". I believe these 3P's are the integral ingredients to Maths study and that all students can achieve at Mathematics. I am really looking forward to working with and being part of the Maths Team at MSHS.

Hi all, I am Cherie Wilkinson and I'm super keen to be joining the Mt Stromlo team this year. I have a background in Science and have taught in Victoria and also over in the UK. I've spent the past few years working at the Questacon Makerspace in Deakin, and am excited to bring what I have learnt there to Mt. Stromlo High school. I'll be working to develop the Mt Stromlo Makerspace and getting our students involved in making, tinkering and technology.

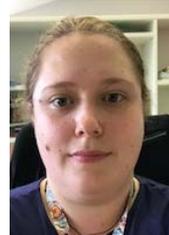

Hi, my name is Michelle McFadyen. I have moved to Mount Stromlo from Melrose High School and will be teaching English and Humanities this year. I am looking forward to learning more about the Stromlo community and supporting my students on their learning journeys.

Hello Mount Stromlo community, my name is Erin O'Connor and I have joined the Learning Support team this year. I have moved from The Woden School where I worked for four years. In my spare time I like drawing and painting and I try to incorporate this into my lessons. I have enjoyed my first few weeks and look forward to spending the next few years in the positive Mount Stromlo community.

Hi! My name is Michael Henderson, and I am lucky enough to begin my first full year of teaching at Mount Stromlo High School after graduating from the University of Canberra late last year. Although this is my first full year of teaching, I am no stranger to Mount Stromlo as I taught PE in term four. I am thoroughly enjoying my role as a Science teacher, and looking forward to engaging whole heartedly in this fantastic community.

Hi! My Name is Glenda Johnson. I have joined the Learning Support Faculty here at Mt Stromlo. I have moved from Monash Primary School where I was in the LSU for five years. I love working with the kids and helping them to achieve their goals and I am excited to experience a high school setting and work with the team here.

Hi my name is Sarah Jordan. I have come to Mount Stromlo High School from Arawang Primary School as the Japanese teacher, however my background is in high school. I am teaching English and SOSE this year. I am really excited to join the community at Stromlo, and work with my students as they develop throughout the year.

My name is Paul Chubb and I teach Maths. I have been involved with many Canberra school over the last little while and I am struck by the professionalism and enthusiasm demonstrated by the teachers here and the great students. I love to see students engaged in the subject and learning, especially if they are improving. My hope is that the students I teach will be encouraged in both their personal lives and also as mathematicians.

Hello, my name is Kim Mowbray and I am very excited to join the Mount Stromlo community this year. I have been a teacher in the ACT since 2001 and have worked as both a high school PE teacher and as a primary school teacher. I have spent the majority of the past 9 years at home, being a mum to my 4 beautiful kids. I have joined the team in the Learning Support Centre and am looking forward to working with a wonderful group of students, parents and staff in 2018.

Hi I'm Bruce Sutherland. I have had a long teaching career behind me in both Catholic and Government schools in the ACT. I studied Sculpture at the Canberra School of Art and Architecture at the University of Canberra. For the last six years I have been a Technology teacher at The Woden Special School. I look forward to making a big contribution to the life of the wonderful student body at Mt Stromlo High.

**IMPORTANT INFORMATION:**

**Year 7 Camp**

- Venue:** Jindabyne Sport and Recreation Centre
- Date:** Wednesday 11 April – Friday 13 April 2018
- Departure Time:** Meet at school – 8:45am in the SPACE for normal team roll marking
- Return Time:** Estimated time of return is 3:00pm (any changes will be updated on Schoology)
- Transport:** Hired Coach
- Cost:** **\$350** (full payment to be received before camp departure)
- Clothing:** Please see the attached Camp Packing List
- Other:** Jindabyne Sport and Recreation Medical and Consent form (online)

**Year 8 Camp**

- Venue:** Camp Long Beach
- Date:** Wednesday 11 April to Friday 13 April 2018
- Time:** Meet at School 7:30am – Return at 3:30pm
- Transport:** Hired Coach
- Cost:** \$350
- Clothing:** A list was attached to the note and will be available via our school website

**Careers Information**

**Work Experience (WEX)**

Year 10 students have had a presentation about WEX and are starting to plan and organise their WEX placements. They will be given time and assistance at school to do this but some students will need further assistance at home. It would be beneficial if parents/carers could ask their students how they can help them to organise their placement. There are documents on Schoology on the Year 10 page under Careers, that can guide students through the searching and application stages of WEX. The WEX presentation will be presented to Year 9 students this week to get them started thinking about their placements which can be completed from Term 3 onwards.

Students wishing to experience time at the Canberra Hospital should apply quickly as the dates are filling up. The placements are available in nursing and medical, allied health professionals and administration roles. The application details and forms are on the Year 9 and 10 career pages on Schoology. The placements are available to Year 10 students only.

**Year Nine Career Conversations**

All Year 9 students at MSHS will have a Career Conversation (CC) and develop a Career Action Plan. In career conversations, the students will develop a career plan that embarks on documenting the process of finding out what the student wishes to do in the future and how they are going to get there! For some students they are well on the way to knowing what they wish to do, others have not even begun to consider it! It's ok to be at any stage in their career development and it's important that they start to think consciously about it and making some plans. Their career plan is meant to be flexible and grow with the student.

I encourage all students to share their plan with parents/carers, as it is a fantastic way to get to know what the future aspirations are of your student and how you can assist. CC's also assist students with WEX planning as they can apply for a WEX from Term 3 onwards.

**Vocational Learning Options (VLOs)**

There are numerous VLOs available this semester. The following VLOs have been advertised on Schoology and are structured as 1 day a week courses that run from 10-17 weeks. Flyers, Expression of Interest (EOI) forms and details are on the Year 9 and 10 Schoology pages.

- Community Care (Yr 9 and 10) EOI due 23 Feb
- Café Essentials – (Yr 10 only) EOI due 21 Feb
- Sports Coaching – (Yr 9 and 10) EOI due 23 Feb
- Animal Services (reptiles) – (Yr 10 only) EOI due 23 March
- Conservation and Land Management - (yr10 only) EOI due 13 April

**Latest Information**

Visit the Year 9 and 10 Schoology pages for the latest information and I am available for students to access careers information every Break 2 in the library (except Monday Week A).

Jennie Sheppard  
MSHS Career Practitioner

**Swimming Carnival**

On Friday 16 February we had a fabulous day at the Phillip Pool for our annual swimming carnival. The spectacular weather saw students and teachers taking every opportunity to cool off. There were many great highlights throughout the day including a very high attendance (410 students) and participation rate, very enthusiastic house chants and hundreds of laps being completed in the house relay. Students showed great house spirit throughout the day.

At our assembly in week 5, we will celebrate the achievements of those swimmers who were outstanding across a number of competitive events by presenting them with their age champion medallions and announce the winning house.

**Health and Physical Education**

We have had a very busy start to the year in Health and Physical Education commencing with a variety of sports. Next week we will begin our first health unit. Year 7 will be investigating the benefits of physical activity. Year 8's will be examining risk taking behaviours. Year 9/10's will be learning the skills and responsibilities around partying safely. It is very important that students are prepared for class with their Chromebooks fully charged. We use lots of online activities to engage the students in their learning and this is greatly inhibited if students do not have access to their devices.

Some classes will delay the start of their health unit as they will participate in the very popular Safe Cycles program. Safe Cycle for High Schools is a curriculum resource for Years 7-10 that aims to increase the confidence and skills of high school students to travel actively to and from school. In week 4 we will receive a delivery of 30 bikes on loan to the school for 3 weeks so our students can participate in this program. The program includes bike safety, bike maintenance and cycling skills. Towards the end of the program, students will be venturing out into the community on the cycle paths to practice their skills. We participated in this program last year and it was a great success, so we are all looking forward to more students having this opportunity in the coming weeks. We are happy if students prefer to use their own bike for this program, however, they will be assessed by the teacher to ensure they are completely roadworthy.

Our next whole school event is the Cross Country Carnival to be held at Stromlo Forest Park on Tuesday 27 March (Week 8). You will receive information about that very soon.

MHS is proudly an It's Your Move School and we are very proud of our program which is now going into its 4th year. Our program is pretty simple and encourages students to get to school actively by walking, cycling or scooting. Being active in the morning (as well as the afternoon) is a great way to start the day, not only for the physical and mental health benefits but also for putting students in a headspace for learning.

We have placed many QR codes on the walls of most underpasses in the Weston Creek area. As students pass these codes, they are encouraged to scan them using a free QR code scanning app which will direct them to a form to put in some details (name etc.). These details are saved and count as a ticket (1 per day) which go into a raffle which is drawn at the end of each term where some great prizes are up for grabs!

If students don't have a device that can support a QR code scanning app, all they need to do is bring a note from a parent/guardian stating the dates they rode/walked/scooted to school and their details can be added manually. As always, we're hoping to see many names on the spreadsheet at the end of term 1!

**School Sport Events for Term 1**

- Wednesday 28/2/18 - ACT Girls water polo and Girls and Boys Brumbies Rugby 7s
- Friday 2/3/18 - ACT Boys Softball
- Monday 5/3/18 - ACT Boys Tennis
- Tuesday 6/3/18 - ACT Girls Tennis
- Wednesday 7/3/18 - ACT Boys' Water Polo
- Friday 9/3/18 - ACT Girls Softball
- Wednesday 14/3/18 - Bourinjin (Indigenous Sport) Carnival
- Friday 16/3/18 - Year 9/10 Girls AFL and Mixed Beach Volleyball
- Thursday 22/3/18 - Girls Basketball
- Thursday 29/3/18 - Boys Basketball
- Wednesday 4/4/18 - Girls 7/8 AFL and Girls League Tag
- Thursday 5/4/18 - Ultimate Frisbee Gala Day

Art Club:

When: WK 2 – 9

Monday's 1<sup>st</sup> break

Where: C15

Bring: Sketchbook and a smile

See: Mrs Incher

## Immunisations

### Free vaccine for adolescents to protect against meningococcal disease

A free vaccine to protect against meningococcal disease will be available to all year 10 students through a school-based vaccination program. During 2018, people aged 16 to 19 years can access the free vaccine through their GP. The vaccine provides protection against the meningococcal A, C, W and Y strains and is given as a single dose.

#### Year 10 students

For all year 10 high school students, the vaccine will be available when the School Health Immunisation Team visits the school during semester 1.

#### Year 11 and 12 students

The free catch-up program is available in 2018 to all people aged between 16 and 19 years through their GP. While the vaccine is provided free by the ACT Government, the doctor may charge a consultation fee.

Meningococcal disease is an uncommon but serious disease and adolescents are at increased risk. In recent years, cases of meningococcal W and meningococcal Y disease have increased across Australia.

Help us to protect adolescents and the community from meningococcal disease by encouraging students to be vaccinated against meningococcal A, C, W and Y strains.

To learn more about meningococcal disease, the meningococcal ACWY vaccine and how you can prepare your child for vaccination, visit <http://www.health.act.gov.au/our-services/immunisation/high-school-immunisation-program>.

## Parking Safety

Think before you park...and keep our kids safe! With school now back for the year we are encouraging all parents to make parking safety a priority!

This means:

- keep clear of 'no stopping' and 'no parking' zones
- don't park in bus zones on school crossings, across footpaths or driveways; and
- don't double (or triple) park!

**Remember** - it's okay to park a little further away from the school and walk the rest of the way!

**Consider** - having a pre-determined meeting spot agreed with your kids. That way if you are a little late, they know where to wait.

**Think** – visibility around schools and if your car may be blocking the view of crossings for other motorists. Also be mindful when entering or leaving parking spots – look twice!

**Be kind** – to other road users and pedestrians and also if you see any parking officers in the area – they are doing their job and working to keep our kids safe!

**Note** - Licence Plate Recognition (or electronic chalking) vans are now actively monitoring schools. Penalties range from \$114 upwards to \$600. Details at [www.act.gov.au/accessCBR](http://www.act.gov.au/accessCBR)

### Saver Plus – Free Education Program to Help Families on Lower Incomes

'Saver Plus' is a free financial education program delivered by The Smith Family that can help families on lower-incomes pay for school costs like books, uniforms, laptops, and excursions, by matching their savings, dollar for dollar, up to \$500.

If you would like to share this with families at your school, a flyer is attached which could be included in your school newsletter.

To find out more about Saver Plus visit <https://www.thesmithfamily.com.au/programs/financial/saver-plus> or contact the ACT Saver Plus Coordinator, Kathleen Watson.

Tuggeranong Lions are hosting a Greater Western Sydney (GWS) AFL Players Community Camp open to Girls and Boys aged 5 to 16. Please come down and meet the players and join in some of the activities. There will be opportunities for photos with players and a Q & A session.

The canteen will be open for the purchase of food and drinks.

WHEN: Friday 2nd March

TIME: 4 to 6:30pm at

WHERE: Kambah Oval 1 (Chirmside Crt) Kambah.

## T20 Blast INDOOR Rules and Regulations

### Overview

- Eight-a-side cricket, each team bats for 8 overs. No more than eight individuals bat, eight individuals bowl and eight fielders are on the field at one time.
- All players, including the wicketkeeper, must bowl one over. Fielders **MUST** rotate at the end of each over (no designated wicket keeper).
- Players may use their own bats and wicket-keeping gloves if they would like.
- It is **NOT** Tip and Run
- Players must attempt to bowl **OVER ARM** and with a **STRAIGHT ARM** (ball can bounce twice). If bowled underarm 1 bounce only)
- Batters bat in pairs for 2 overs irrespective if they get out. Players are to swap ends at the end of each over or when they are dismissed (except for run outs).
- If batters get out the fielding team will receive **5 bonus runs**.
- Teams to have 3 fielders on each side of the wicket at all times.
- Wide – a delivery which goes outside of the batting tees – a ‘free hit’ off the tee is awarded to the batting team. Free Hit’s must be hit in front of the batter **ONLY** and a missed swing counts as the free hit. Players cannot be out caught off a free hit – only run out.
- No Ball – a delivery reaching the batter either over the waist on the full **OR** above the shoulder after bouncing – a ‘free hit’ off the tee is awarded to the batting team. See above rule of where the free hit can be hit.
- If the batter fails to hit consecutive balls in one over – they hit off the tee after the second delivery and must run.
- Byes – runs completed after the ball is missed by the wicketkeeper. These can **NOT** be scored off No-ball’s or wides.
- Leg Byes – runs scored off the legs or body
- Methods of dismissal - Bowled, Caught, Hit-wicket, Run-out (Umpires discretion), Stumped
- A ball reaching the back net on the bounce/roll = 4 runs
- A ball reaching the back net on the full = 6 runs
- A ball that hits a side net = 2 runs
- Batters must run to be awarded the runs above- these runs taken will be added to the team score
- The team with the highest score is the winner (if scores are equal, the team losing the least number of wickets is the winner).

# MILO T20 SCHOOLS CUP

# BLAST INDOOR

Dear Teachers/PE Coordinators and/or School Ambassadors,

The Sydney Thunder Regional Zone is pleased to offer your school the opportunity to participate in your local MILO T20 Blast Indoor Cricket Schools Cup in 2018. This event is conducted in a fun, safe learning environment, with girl's and boy's teams experiencing cricket in a participation based format.

## PROGRAM INFORMATION

- Date:** Various options- see over page
- Venue:** Various options- see over page
- Length of Day:** Arrive at 9:30am for 10:00am start. Finished by 2:00pm
- Age Groups:** Year 7/8 and Years 9/10 divisions.
- Teams:** Teams will consist of **8 players**.
- Cost:** **FREE**
- Equipment:** All equipment is provided by Sydney Thunder Regional Zone. Students can use their own bats if they wish to do so.
- Program Benefits:** Each student will not only be exposed to cricket in a fun, inclusive, learning environment, they will also receive a giveaways and other information on how they can continue a healthy and active lifestyle within cricket clubs locally. The program is designed to provide teachers with up-skilling opportunities in how to conduct a fun, inclusive game of cricket for both boys and girls within their lesson plans.

To sign up to your local **MILO T20 Blast Indoor Schools Cup**, simply fill in the booking form on the back of this flyer, and return it to your local Cricket Manager (me) via email.

Remember to register as your school's ambassador! <http://community.cricket.com.au/schools/school-ambassador-program>

For more details, please do not hesitate to contact me on the below details.
