

Year 7 Japanese

Semester 2 Course Outline

This semester in Year 7 Japanese, students will continue to build on their vocabulary and sentence structures learnt in Semester 1. Students will be completing a unit on “Family”. Students will learn how to talk about their own family as well as other people’s family, introduce and describe family members and talk about any pets that they may have.

The second unit students will be studying this semester is on “Daily Routines”. In this unit, students will learn how to talk about their daily routine in Japanese. Students will study the differences between Japanese and English sentence structure, adjective and verb conjugations. Students will also learn about days, months, dates and time during this unit to allow them to talk about when they complete specific activities.
