

Year 9/10 Visual Art Painting

Semester Course Outline

In this 'Foundation Arts' unit, students have the opportunity to focus on developing their skills and techniques within all Artistic mediums focusing on Painting and Drawing. Students will be introduced to various techniques and skills in the areas of Painting & Drawing including - Acrylic, Watercolour & Ink. By looking at various approaches artists have taken throughout History and exploring these different techniques, students will be equipped to produce self-directed artworks. The design process will be used as an overarching formula to help students develop and research their own ideas. Students are encouraged to work independently and deeply within their chosen theme. The development of drawing and observational skills will be an integral part of this course.

Learning Outcomes

Students will be assessed on the following Learning Outcomes:

- 9/10.950 - Evaluates how representations communicate artistic intentions in artworks made (by self and others) and viewed
- 9/10.951 - Evaluates artworks and displays from different cultures, times and places
- 9/10.952 - Analyses connections between visual conventions, practices and viewpoints that represent own and others' ideas
- Y9/10.953 - Identifies influences of other artists on personal artworks
- 9/10.954 - Manipulates materials, techniques and processes to develop and refine techniques and processes to represent ideas and subject matter in artworks.
